20.1 Guiding Principles – Mission Statement

Valley Christian Academy (VCA) provides excellence in education in a nurturing, Christ-centered, and grace-oriented environment. Our mission is to challenge and to become equipped to be loving, responsible adults who will have a positive impact upon themselves, their families, their community, and our beloved Lord.

3.01 Guiding Principles – Statement of Belief

The highest pattern for Christian conduct is found in conforming to the image of Jesus Christ (Romans 8:29). The purpose of Christian education is to teach all students with all possible wisdom, seeking to bring each one into God's presence and daily relationship as a mature individual, conformed to Christ's image, and in union with Him (Colossians 1:28).

Individual commitment to Jesus Christ is voluntary in nature; therefore, the school does not force students to subscribe to a particular belief. The student is confronted with the person of Jesus Christ and is invited to become acquainted with Biblical principals basic to the formulation of a Christian lifestyle. Students are encouraged to make a personal commitment to Jesus Christ, to learn the meaning of that commitment, and to demonstrate discipleship in serving God and man. The school is designed to assist the student to grow morally and academically.

Teachers and staff will actively promote a high standard of personal conduct in our students in areas of dress, grooming, and personal behavior. Virtues to be stressed include honesty, clean speech, a respect for God, for persons, and for property. Specific standards of behavior are stated in the Student/Parent Handbook. These standards will be instituted by classroom teachers to create the finest possible environment for learning and development.

Valley Christian Academy will hold each student responsible for these standards while attending any campus of the school and all school-sponsored activities. A family joining as a member of the school registers understanding of the school's standards and pledges support of these regulations even in areas where they may have no personal convictions. A student unwilling to abide by these regulations or who gives evidence of being out of harmony with the goals, beliefs, and objectives of the school may be subject to disciplinary action, and may be asked to withdraw.

3.02 Guiding Principles – History

Valley Christian Academy was a vision and burden in my heart for many years before we actually started it. I knew beyond a shadow of a doubt that God was calling me to bring it about physically as He brought about those for whom He wanted us to minister.

Today it blesses my heart beyond words. I love the children and young people – I love watching each stage of physical, emotional, and spiritual growth. I love the day in and day out of it all. Yes... it's a great deal of work and emotional drain – but they're worth every second!

At present I am still administrator, but my beloved oldest son – Brad Gunter, Jr. – is the one who really runs the daily operation as Vice Principal. He holds the same vision that God gave me and, too, has a deep love for young people and a conviction for them to follow Christ. I must say that he is far better and wiser in handling young people's misbehaviors and advising and guiding them than I ever have done. Young people gravitate to him and respect him and his advice. When it comes to high school students, he wisely disciplines them for correction. His discipline reminds me of the Lord's with us according to Romans 2:4 – "...or despises the riches of his goodness and forbearance and longsuffering; not knowing that the gentleness of the Lord leads me to repentance?"

Since we run VCA as a non-denominational school, we focus on Christian character building. Teaching young people to know the Lord, love the Lord, and want to obey the Lord and His word. Nothing comes overnight. It is step-upon-step – working with you as their parents in partnership.

One of the unique things about VCA is that all of our paid staff is required to be members of Tabernacle Baptist Church (TBC). It's not so much a doctrinal issue as it is for all of us having the feeling of being a family, having the same heart, the same ministry calling, and the same philosophy. You know that at your own church you have a doctrine but you also have a philosophy – a way of doing certain things – within that body. In all these years we've found how great this works. Staff turnover is extremely low – teachers have been here going on 20-some years and it cuts down on staff conflict because they're family to one another and your children.

VCA is not known for its multi-million dollar buildings... God has never provided that much – yet. He continually provides for our needs and our students see and hear it (a GREAT faith-builder).

3.03 Organization – Statement of Faith

WE ARE LED BY CHRIST

We believe that each local church of the Lord Jesus Christ is led by the Holy Spirit and the written Word of God. The Lord meant for each member of the church to be equal in voice and responsibility. We also recognize that God has given God-called preachers to be the spiritual leaders of the churches and that God calls them and places them in

spiritual position in His churches. “Remember them which have the rule over you, who have spoken unto you the Word of God: whose faith follow, considering the end of their conversation... obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that is unprofitable for you.” Hebrews 13:7, 17

WE BELIEVE THAT GOD’S WORD TEACHES...

VERBAL INSPIRATION OF THE BIBLE

We believe the Bible, both the Old and New Testaments, to be verbally inspired of God in the original, infallible, and God-breathed, a perfect rule of faith and practice.

II Timothy 3:16, 17; II Peter 1:16-21; II Corinthians 2:13

THE TRINITY

We believe in the Holy Trinity: but there are three distinct persons in one God-head. The Trinity of God is His tri-personal existence as God the Father, God the Son, and God the Holy Spirit.

Matthew 28:19; Matthew 3:13-17

GOD THE FATHER

We believe that God is an eternal person, having no beginning and no ending, and that He is creator of all, infinite and infallible.

John 4:24; Luke 3:22b

GOD THE SON

We believe that Jesus Christ is the Son of God and God the Son.

We believe that:

He is the only Savior of mankind; Acts 4:12

He is God incarnate in human flesh; Romans 8:3

He is the absolute God, for whom and by whom all things were created; Colossians 1:16

He is the one mediator between God and men; I Timothy 2:5

We believe in:

His virgin birth,

His holy sinless life,

His vicarious death and

His bodily resurrection.

We are looking forward to his return to this earth to reign as King of Kings and Lord of Lords upon the throne of David for 1,000 years.

John 3:16; John 1:13; Hebrews 1:8; Colossians 1:15-19; Isaiah 9:6, 7; Revelation 20:2-7

GOD THE HOLY SPIRIT

We believe that the Holy Spirit is God, and He indwells and seals all believers, and that He fills the obedient and is the believer's guide to truth.

Acts 5:3, 4; Romans 8:9; Ephesians 4:30; John 16:7-15

MAN

We believe that man was created in the likeness and image of God, but through the sin of Adam fell from this sinless state and is no longer born in the likeness and image of God, but is born with a depraved nature (Psalms 51:5), and is alienated from God (Isaiah 53:6; Romans 3:23).

3.04 Guiding Principles – Statement of Agreement

Valley Christian Academy is committed to excellence in academic achievement and quality of instruction. It recognizes Christian education as the expression of an idea which can only be realized in the integration of the total person under the Lordship of Jesus Christ. This involves meeting the student's spiritual, moral, emotional, academic, physical, and social needs, and is best accomplished through the complimentary efforts of the school, home, and church.

The highest pattern for Christian conduct is found in conforming to the image of Jesus Christ (Romans 8:29). The purpose of Christian education is to teach all students with all possible wisdom, seeking to bring each one into God's presence and daily relationship as a mature individual, conformed to Christ's image, and in union with Him (Colossians 1:28).

A student unwilling to abide by these regulations or who gives evidence of being out of harmony with the goals, beliefs, and objectives of the school may be subject to disciplinary action, and may be asked to withdraw.

Each family of Valley Christian Academy is asked to sign the above statement, which will then be placed on file.

3.04 Guiding Principles – Importance of the Teacher

The key element in our quest for academic excellence is the teacher. All teachers meet, exceed, or are completing the requirements for WASC (Western Association of Schools and Colleges) and ACSI (Association for Christian Schools International) Certification.

3.05 Guiding Principles – Role of the Teacher

The key element at Valley Christian Academy is the teachers. Being called by God to the ministry of Christian teaching is both a great joy and a tremendous responsibility. “Let not many of you become teacher, my brethren knowing that as such we shall incur a stricter judgment.” (James 3:1) We cannot conform to the world’s standard for teaching...God demands more from us.

II Peter 1:5-12

“And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; and to knowledge temperance; and to temperance patience; and to patience godliness; and to godliness brotherly kindness; and to brotherly kindness charity.”

“For if these things be in you, and abound, they make *you that ye shall* neither *be* barren nor unfruitful in the knowledge of our Lord Jesus Christ. But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old sins.”

“Wherefore the rather, brethren, give diligence to make your calling and election sure: For if ye do these things, ye shall never fall: For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Savior, Jesus Christ. Wherefore I will not be negligent to put you always in remembrance of these things, though ye know *them*, and be established in the present truth.”

The role of the teacher, the administrator, and staff member

- To be an example
- To provide and foster an atmosphere for learning
- To speak the truth in love

The Example: Teachers at VCA are open and transparent, allowing students to see them as real human beings with faults, problems, and frustrations, as well as people who love God and His people. Teachers are not perfect and students know that. They must be honest and real. Teachers show through their own example what students are to do in both positive and negative circumstances (John 13:15, Philippians 4:9).

The Atmosphere: Teachers are expected to make the classroom a place where God can dwell. Where God is, there will be righteousness, peace,

and joy (Romans 14:17). The attitude and example of the teacher sets the tone. As teachers are faithful in this responsibility, they are offering Jesus an open invitation to be involved in every aspect of the learning process.

Speak the Truth in Love: In order to effectively disciple young people, teachers exercise spiritual authority (not status). This is derived from obedience to God and being filled with His Holy Spirit (John 6:49-50; Luke 7:1-10; Ephesians 5:18-21; Hebrews 13:17). Teachers then must be willing to spiritually discipline students, but always in a “spirit of gentleness” (Galatians 6:1; Colossians 1:28; Ephesians 4:14-15).

Many of the Students attending Valley Christian are familiar with spiritual things. When students take time to be honest with themselves, their own sins and shortcomings become recognizable. Peer pressure can be very strong, not so much to go out and sin, but to neglect spiritual things.

Teachers at Valley Christian confront students in love and appeal to the student’s own consciousness of spiritual things. As teachers back this up with their own personal example, they are giving the Holy Spirit needed fuel to warm cooled hearts.

3.07 Guiding Principles – Educational Philosophy

Valley Christian Academy is committed to excellence in academic achievement and quality of instruction. It recognizes that Christian education is the expression of an idea and can only be realized in the integration of the total person under the Lordship of Jesus Christ, involving the spiritual, moral, academic, physical, emotional, and psychosocial needs in conjunction with complementing factors of school, home, and church. We therefore acknowledge that the concepts of a Christian educational philosophy are these:

- God, by His spoken word, is the Creator and Sustainer of all things; the Source of all truth.
- God maintains control over His entire universe.
- Because of sin, man tends to omit God and thus fails to relate himself and his knowledge of God, the Source of all wisdom.
- Regeneration is by faith in Jesus Christ. True meanings and values can be ascertained only in the light of His person, purpose, and work.
- God has revealed Himself in the person of Jesus Christ as attested to in the Bible.
- The home, church, and school should complement each other in promoting the student’s spiritual, academic, moral, emotional, psychosocial, and physical growth.

- At school the teacher represents the extension of authority and discipline as an agent of the parent.
- God has given differing abilities to each student. It is the teacher's responsibility to challenge each child according to this ability and seek to develop this potential to the maximum.
- The Christian is not to be conformed to this world's standards but must recognize and submit to the authority of our nation.
- The student's home, church, and school experiences and training should be preparation for life, a life of fellowship with God and of service to man.
- Students should be encouraged to become spiritually mature and grow into Christ-likeness.
- Each Christian has a responsibility to the world around him/her in that he/she is to be the world's seasoning and light.
- VCA encourages learning that involves interaction between people and ideas and believes in individuality, personal worth, equality, and purpose.
- VCA seeks through individualization of instruction and interpersonal relationships to enable each student to learn to change and to make new and meaningful commitments.

3.08 Guiding Principles – Educational Goals

First, the person should have a thirst for knowledge. He/she begins knowing that God is the source of all wisdom. He/she should be motivated to keep on learning throughout a lifetime. People must learn "how to learn" because new knowledge is being constantly created by the current of change. At the same time he/she must realize that the highest knowledge of all is to know Jesus Christ who never changes.

Second, a person should have the skill to find work to and to succeed in it. He/she begins knowing that God has given him/her gifts and that God's call must be first with respect to work choice.

Third, a Christian person's education should contribute to self-understanding and self-esteem. He/she begins knowing that God's interest in making him/her a child of God gives him/her the greatest dignity and worth. Such knowledge is more important than ever in an increasingly impersonal, mobile, and technological world. In a society that constantly forces people to adapt to change, the Christian educated adult can respond without losing a sense of personal worth and purpose.

Fourth, the person cares enough about the environment to work for its maintenance and improvement. He/she begins knowing that God made

this world for man and placed that world in man's care and keeping. This person also holds a global perspective about the ways individual and national actions affect this shrinking and complex world.

Fifth, a person must try to understand and appreciate all peoples and cultures. He/she begins knowing that all people are objects of God's love, to be brought to personal knowledge of Jesus Christ.

Sixth, a person must be able to read well, speak and write clearly, and handle comfortably both logical concepts and basic mathematical skills. He/she begins knowing that the highest call is to communicate the message of Jesus Christ to others.

Seventh, the person understands the American system of government, including the citizen's rights and responsibilities. He/she begins knowing that he/she is a member of God's kingdom, which demands his/her ultimate allegiance.

Eighth, the person should understand how the economic system works and how to manage money as well as earn it. He/she begins knowing that all he/she has belongs to God, and seeks to regulate his/her needs so he/she may return much of what he/she earns to the work of God.

Ninth, the person should know and understand human biology and psychology in order to maintain his/her well-being. He/she begins knowing that he/she has been made in God's own image, and that his/her life was "God-breathed."

Tenth, a person is sensitive to artistic, literary, and other aesthetic experiences. He/she begins knowing that all beauty, symmetry and balance are creations of God given for man's highest pleasure. A full life calls for thoughts and feelings of quality and for an appreciation of the beauty around us.

8.0 Spiritual Development

Although much time and preparation, evaluation, and prayer is devoted to maintain academic excellence, the primary focus is to disciple students. This can only be accomplished by modeling Jesus Christ in the classroom on a daily basis, being able to speak the truth in love, and by providing an atmosphere in classrooms that fosters the fruits of the Spirit (Galatians 5:22).

It must be understood that at any time and in every place the church has attempted to legislate spiritually, she has failed to accomplish the desired goal. True spirituality is of the heart and must be born and nurtured by the Spirit. VCA provides an atmosphere in which the Holy Spirit can work in the lives of students.

The student body has two primary types of students (spiritually). Both are Christians. One group needs to be warmed spiritually and kept warm through prayer with the hope that the Holy Spirit will ignite a fire in their hearts. They believe but do not want to become too spiritual. The other group loves God and wants to please Him. As these students become learners, their example will be greatly used by God to influence their peers

in a very positive way. (This is the situation faculty and staff looks forward to and for which they pray.)

In addition, VCA admits approximately seven percent who are not Christians. Accepting Christ for those students often happens naturally as a result of the love, care, and prayers by our faculty and staff. Parents have been introduced to Christ by the same process.

Bible instruction is an integral part of the instructional curriculum. The study of God's Word is designed to meet the varying needs, interests, and abilities of students. Instruction is based on Scripture, Biblical biography, personal experiences of contemporary, mature Christians, etc.

Bible Classes – First period is Bible class and sets the pace for the learning experience at VCA. Bible study, time for sharing and prayer, is an essential part of our Christian training program. Students are required to memorize meaningful scripture passages and encouraged to develop their own person Bible study program.

Chapel is held regularly on Friday mornings to provide spiritual enrichment as well as positive and meaningful experiences for students. All students must attend chapel and are required to maintain reverent and orderly conduct. Assemblies are held in addition to chapels. They provide useful information, enjoyment, and help build wholesome school spirit.

Prayer – Students learn and are encouraged to share their needs with others and to pray for such needs in a group setting. Times of prayer are observed in the morning and at times of special needs. VCA students learn that prayer is a natural communication with God that can be initiated at any time.

8.01 Spiritual Development – Goals of Spiritual Development

The following is a list of goals which represents the characteristics of a maturing Christian. Thanks to Dave Watson (*Called and Committed* – 1982) from whom these are borrowed:

8.02 Spiritual Development

Note: Objectives are ideally supposed to be measurable. True spirituality must be from the heart which is impossible to measure. We can only try to observe attitudes, actions, and speech that would be consistent with true spirituality. Discernment is necessary to more accurately analyze spiritual condition. God will have to be the final judge. The Biblical criteria for measuring spirituality are the fruits of the Spirit (Galatians 5:22). We are told to look for these fruits in a believer's life.

Each Christian student will be able to:

1. Demonstrate the developing qualities of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control in one's personal life.

2. Pray out loud with a group of peers.
3. Share personal needs with a group of peers.
4. Explain a passage of scripture for a devotion with a group of peers.
5. Explain the plan of salvation and quote relevant scriptures.
6. List Christian priorities for his/her own personal life.
7. Attend one's own church regularly and be active with one's youth group.
8. Read God's Word on a consistent basis for private devotions.
9. Volunteer to help others consistently.
10. Not resist authority in spirit or actions.
11. Complement others consistently/sincerely
12. List one's own personal character strengths and weaknesses.
13. Consistently do his/her best in any situation.
14. Ask for forgiveness when wrong.
15. Forgive others and not hold grudges when wronged.
16. Demonstrate trust and responsibility in practical situation.
17. Speak positively of self and others.
18. Demonstrate an attitude of faith, obedience, and submission to the Lord Jesus Christ on a daily basis.

9.0 Admission

Admission to VCA is a privilege. The school's policy regarding admission is "Open Enrollment." VCA admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally made available to students at the school.

9.0 Admission – Class Size

The goal of 9-12 encouragement should be to maintain an average of 25 to 30 students per period classroom instruction.

10.0 Admission – Pre-Enrollment Interview and Evaluation

Pre-Enrollment Interview – Parents of all applicants complete a questionnaire about their reasons for wanting to send their child to VCA and their child's prior educational history (if applicable). All 9th-12th grade students are also interviewed by an administrator regarding their educational history and desire to attend a Christian school. Parents are

required to provide, with their application, reference forms from the student's former education setting, church, or other designated persons. Acceptance of an applicant is determined after information from the application, interviews, and an analysis of academic levels of a student described are reviewed.

VCA does not review standardized test scores nor administers such a test as a basis for acceptance.

9.0 Admission – Priority System

A priority system was established to give families currently attending VCA, TBC church members, and alumni first consideration as openings exist. The order of priority is as follows:

- A. Returning students who have paid the registration fee.
- B. Children of staff members, prospective students who have brothers or sisters now at VCA, and children of alumni.
- C. Prospective students whose parents are members of TBC.
- D. Prospective students not falling in A-C above, by date of receipt of application form, who have paid the non-refundable registration fee.

The Process:

The names of prospective students are received on a continuing basis.

January 15 – We notify existing school families regarding registration for the coming school year.

February 1 through March 15 – Re-enrollment for children of staff members and present students.

March 15 through April 1 – Prospective students who have brothers or sisters now at VCA and children of alumni.

April 1 on – Students are accepted by date of application only.

10.0 Discipline – Philosophy of Discipline

The highest pattern for Christian conduct is found in conforming to the image of Jesus Christ (Roman 8:29). It is our goal at VCA to actively promote a high standard of personal conduct in our students. Virtues to be stressed include honesty, clean speech, respect for God, for person, and for property.

We will strive to create the finest possible environment for learning and development. We at VCA are working to build a very positive Christian atmosphere in which your child can best learn. We wish to provide for our students the excellent learning environment they deserve.

We believe that parents are responsible for training and disciplining their children. The school's main function is to educate students. Should a child misbehave, the school will inform the parents through a written notice called a "consequence" or by phone. It is up to parents to administer appropriate discipline at home. A progressive table of consequences is used to administer the discipline program at VCA.

Faculty/student counseling, sharing, and prayer have been and will continue to be the major components of our school discipline program. We will be searching at all times for the Lord's direction in training your students and we appreciate your trust.

10.01 Discipline – Positive Reinforcement

After five consequences a parent conference is required and a one-day suspension may be issued. After ten consequences a student is suspended for one week and a parent conference and student behavior contract is necessary before a student can return. Following a one week suspension, one additional consequence is allowed and then final expulsion may be issued. A student may also be

suspended or expelled if he/she is charged by the District Attorney with specified offenses.

- Community Service – A consequence involving working at a community/church organization for a specified period of time and returning a positive progress report.
- School Service – A consequence that involves working at an administrative assigned job at school for a specified period of time.
- Suspension – Suspension is considered a strong form of discipline. The student is not able to make up his/her missed work, and he/she is expected to receive parental consequences at home. All classroom work missed as a result of the suspension must be made up by the student to keep up with the class, however, no credit will be given for the assignments. Length of suspension will be set by the school administration.
- Process of Reconciliation – Reconciliation is required following a conflict.
- Re-admission Denied – The student will not be allowed to re-enroll for the upcoming school year.

- Expulsion – The removal of student from school. A student who continuously refuses to follow school rules and regulations will be expelled. The final decision to expel will be made by the VCA Discipline Review Board. After one calendar school year, application for re-admission will be reviewed by VCA administration and Discipline Review Board.

VCA administration reserves the right to interpret and modify all rules to maintain a positive educational environment.

10.06 Discipline – Cheating

A student who appears to be cheating, as determined by the teacher, will be subject to the following action:

- Parents will be informed of the suspected behavior.
- A “zero” grade will be given for the assignment or test. There will be no opportunity for making up the grade.
- One or more consequences will be given.

“Appearance of cheating” means:

- A student’s eyes are often diverted to places other than his/her own test or assignment page.
- The content of the assignment handed in is uniquely identical to that of another student or plagiarized from a public text.
- The quality of the assignment is far superior to anything the student has produced before.

10.07 Christian Lifestyle/Dress – Christian Lifestyle

Goal Statement – All students are expected to maintain high standards of conduct, both on and off the school campus. They shall comply with all school regulations and submit to the authority of all teachers and staff.

All students, by virtue of enrollment, have accepted the Statement of Agreement in regards to matters of personal conduct and have agreed to comply with all rules of this handbook.

Christian Lifestyle – All students are expected to work toward a Biblical approach to life both on and off campus. Student conduct should reflect the Christian life at all times and at all places, not only during school hours or just at school. Failure to live up to this standard could result in school discipline.

Dress and Grooming – The purpose of dress regulations is to help each student set a standard for his/her personal appearance that is appropriate.

Each student is expected to demonstrate pride in his/her appearance for it reflects individually on the student and collectively on the school.

Daily attire need not be expensive to be attractive and acceptable. A neat and properly attired student will promote an atmosphere which is conducive to study and good work in a Christian school. God's Word emphasizes the importance of inner beauty rather than an individual's outward appearance. Any apparel which draws undue attention to the wearer tends to detract from the educative process and is inappropriate.

Students judged to be in violation of the dress code may be issued school clothing or be restricted to the office area until appropriate clothing is available. Classes missed will be considered unexcused absences. Consequences may also be given and parent conferences may be scheduled for violations of the dress code.

Students are expected to dress modestly at all school-related events (i.e., athletic events, graduation, Night of the Stars, field trips, retreats, etc.).

10.08 Christian Lifestyle/Dress – Dress Code

11. Visible tattoos of any kind temporary or permanent are not allowed.

Class work missed due to dress code violation must be made up. A dress code consequence will be recorded. Second offense results in a

consequence and in-school clothing modification. Multiple offenses will result in a suspension.

10.09 Christian Lifestyle/Dress – Questions to ask about selecting clothing

Please ask these questions when selecting clothing and hairstyles:

- Is it immodest? (I John 2:15-17)
- Might my appearance be disruptive to learning by calling attention to myself?
- Does my appearance identify with a counter-cultural group or a rebellious element of society?
- Does the clothing present a health or safety hazard?
- Is the clothing faded, worn, or improperly fitted?
- Is the design and purpose other than for school use?

If the answer is “yes” to any of the above, then the attire or appearance is not acceptable for school.

It is a mark of maturity when students can freely choose apparel that demonstrates individuality without deviating from the standards of appropriateness. Students should follow the school code during all school hours and school activities. Exceptions to the dress code will be made for special days or special events.

11.00 Policies and Procedures -- Attendance

The following policies and procedures are written with your child’s safety and best interests in mind. There are only a few rules, but they need to be followed closely. It is important that this section be read carefully by students and parents.

A student who is ill is expected to remain at home. If a student is found to have a transmittable disease such as impetigo, pink eye, etc., he/she must be taken from school and not returned until seen by a doctor. Upon returning, the student must have a note from the doctor stating that he/she has been seen, treated, and is ready to return to class.

When it comes to the school’s attention that a student may have head lice, someone on the staff will check the child’s head. If the child has live lice or nits, the child is excluded from school until he/she is treated with an effective pediculicide and all the nits have been removed from the hair. Once a child has been treated, he/she must have another head check before being allowed to return to the classroom. The school recommends that:

- All family members are to be treated at the same time.

- All sheets, blankets, bedspreads, towels, and affected clothing be washed.
- Everything be vacuumed carefully.
- Car seats, pillows, etc., be treated with a medicated spray in a well-ventilated area.

If a child becomes ill during school hours it is imperative that the child be picked up as soon as possible. The school asks each family to have a backup plan, especially if both parents work. The school is not equipped to convalesce children who are ill. State health laws require that children be sent home when they have a temperature or symptoms of illness.

11.00 Policies and Procedures -- Confidentiality

The school office will not give out telephone numbers or addresses of school families over the telephone. We do ask permission to provide name and phone number (if your phone is listed) for families inquiring to set up carpooling with other families in their zip code.

11.01 Policies and Procedures – Emergency Cards

Emergency information for students is submitted and maintained by the office.

As information changes during the school year, parents need to update their school data. This “up-to-date” information is critical in case of an emergency.

11.02 Policies and Procedures – After School

Students are to leave with their parents or an adult designated by parents. A student leaving school on foot or on a bike is expected to travel directly to his/her home or a parent-designated place where he/she will be supervised.

11.03 Policies and Procedures – Absence Policy

A student may miss a total of only 3 days per class per semester, whether excused or unexcused. On the 4th absence the student will fail to receive credit for the class. Absences will be counted for illness, appointments, school events, and any other situations when the student does not participate in class work and activities.

A student may exceed the 3-day limit if he/she has a long-term illness in which a medical doctor has stated in writing that the student may not be returned to school for an extended time. In this case, specific dates need

to be indicated so that absences will not be counted against the student. Administration may also make exceptions for students with special circumstances (family emergencies, death in immediate family, funerals, special needs, etc.).

All students must report to the office after their absence from school before going to their first class. The office must receive a verbal or written note from a parent or guardian stating reason for absence.

11.04 Policies and Procedures – Make-up Work for Excused Absences

A student will have one school day for every day missed due to illness (to a maximum of five) to complete paperwork.

If a student is unable to participate in a course due to excessive absences, a conference will be required for teachers, parents, and administration to establish an educational plan for the successful completion of coursework.

Students are responsible to secure a list of assignments missed and to turn them in on time rather than have the teacher pursue the student to see that the work is done. The exception is extended hospitalization. Students who have been absent may need to take make-up tests after school to prevent further loss of instructional time.

11.05 Policies and Procedures – Partial Day Absence

If a student comes in late, he/she must present a note and sign in at the high school office explaining the reason for the lateness to the school. The office will advise the teachers.

No student can participate in a sports event or any other extracurricular unless he/she is present for half of the day. The only exception is for the student who has an excused medical appointment or has administrative permission.

Students are to sign out prior to leaving campus for any reason. The office must have a parental note or phone call prior to giving an off-campus pass and are to be picked up only by responsible adults. Students that return to campus must report to the office and sign back in.

11.06 Policies and Procedures – Tardiness at the Beginning of the Day

Unless there are continuous totally unavoidable circumstances, students who are late to school more than two times per quarter will receive consequences. Students must report to the office first to sign in.

11.07 Policies and Procedures – Tardiness During the School Day

Students who are not in their seats when the class begins are considered tardy unless they possess a note from the office or teacher. Three tardies per quarter in any class will result in consequences – normally lowering of their grade in that class. Five tardies per quarter equals a suspension.

11.08 Policies and Procedures – Bicycles

Bicycles should not be ridden on campus. Those bringing bicycles must provide their own means of securing them. The school cannot be held responsible for theft or vandalism.

11.09 Policies and Procedures – Boy-Girl Relationships

School is an excellent place to make new friends. Many of the friendships made will last a lifetime. Boy-girl relationships and friendships are important and can be enjoyed without display of physical affection. A public show of affection such as kissing, cuddling, and holding hands is not appropriate on our campus (six-inch rule).

11.10 Policies and Procedures – Change of Address

When a student changes his/her address or telephone number, it is imperative that such changes be reported to the main office as soon as possible.

11.11 Policies and Procedures – Closed Campus

All students must be in their assigned classes or on their lunch period in the designated lunch area during the school day. No student will be permitted to leave campus during the school day unless he/she is picked up by a parent, or he/she receives special advance administrative permission.

11.12 Policies and Procedures – Concern for Property

Students should consider it a privilege to attend VCA and therefore, do all in their power to keep the building attractive and make the utmost use of all the facilities. Any student known to deface or destroy school property will be assessed the full cost of repairs and be subject to other severe disciplinary action.

11.13 Policies and Procedures – Death Within a Family

- Fees that are 60 days overdue subject the child(ren) to dismissal from school.

Doctor appointments should be made after school hours, if possible. If an appointment is needed during the school day, a note must be turned in to the school, prior to the appointment.

These lockers are to be kept locked and the combinations confidential. Lockers are not to be shared or changed without permission from the office. Periodic checks will be made of all lockers to make sure that proper care and use is being maintained. Personal articles of value should not be kept in lockers, and the school will not be held responsible for the loss of such items. The cost of repairs to lockers, caused by misuse, will be charged to the student.

11.23 Policies and Procedures – Lost and Found

“Lost and Found” storage is provided. Parents may check this area for lost clothing or other articles. Valuables such as watches, jewelry, etc., will be held at the office and may be claimed by identification of the object.

13.0 Tuition and Fees – Tuition

Letter to Parents

Dear Parents,

Valley Christian Academy has provided an educational program based on excellence and the truth of God’s word for over twenty-five years. Tuition is the primary way this program has been funded, and continues to be today. Every effort has always been made to keep tuition as low as possible. But as the cost of providing a quality education has increased over the years, our teachers have increasingly shouldered a disproportionate share of that cost in the gradually declining values of their salaries. In contrast, the public education system has significantly improved the salaries of its teachers over the same time period.

Did you know that today:

VCA teachers earn approximately 65% of public school salaries (and it used to be 80%)?

It is becoming increasingly difficult to attract and retain faculty that meet our high standards?

Tuition inadequately helps to cover the cost of providing the facilities our students need?

At the heart is the concept that:

Everyone at Valley Christian pay their “fair share” of the cost of an excellent education.

Tuition assistance will be available to currently enrolled families who apply and qualify.

With everyone paying their “fair share”, VCA can:

Increase teacher salaries.

Increase funding and improve facilities.

Continue to maintain our tradition of educational excellence.

Our school board has always made an effort to understand the delicate balance that exists between providing the finest Christian education possible, providing adequate salaries for our faculty and staff, and remaining sensitive to the cost for families. By adopting the concept that everyone pays their “fair share”, and by increased tuition assistance available for families that qualify, we can reverse the fact that our teachers

are now paying the full price between what an excellent education costs and what parents pay.

We trust that each of you will be able to make it work for your family and we look forward to having all of your children back at VCA again next year. I have dedicated my life to being God's servant at VCA and am committed to being a vital part of what God is doing in the lives of our students, staff, and school family. If I can be of any help, please feel free to contact me.

Tuition costs are for the total school year. For your convenience, payments may be made on a 12-payment basis or a 10-payment basis.

13.01 Tuition and Fees – Tuition Assistance

What do you do if you are “on the edge” of being able to afford tuition at Valley Christian? Apply for tuition assistance. We provide an easy and confidential way to apply for assistance. Families receiving tuition assistance must reapply each year to determine if they continue to qualify.

How do you apply for tuition assistance?

Pick up a “Grant Application” from the office, complete it, and submit back to the office for Board review. You will be notified of the decision within the week.

Who will see my financial information?

VCA Board, Administrator, and Bookkeeper.

How do I qualify for tuition assistance?

If your ability to pay is less than your total tuition, you will qualify.

How is the amount of tuition assistance determined?

Faith.

Tuition and Fee Schedule

PLEASE SEE ATTACHED TUITION AND FEE SCHEDULE.

13.02 Tuition and Fees – Payment Policy

The Board payment policy is as follows:

16.04 Student Activities – High School Class Organization

Students interested in class offices need to apply for Student Leadership positions. Each class will then elect a president, vice president, secretary/treasurer, and a class representative from each grade section based on the applications received.

16.05 Student Activities – Ineligibility for Extracurricular Activities

Behavioral – Participation in extracurricular activities is a privilege that may be lost by a student who consistently defies authority and commits a serious act of disobedience as outlined in the High School Handbook.

Academic – A student will be ineligible to participate in extracurricular activities if the student has a GPS lower than 2.0 and/or more than one failing grade at the end of each quarter.

16.06 Student Activities – School Publications

Students are encouraged to purchase and make contributions to the student newspaper and yearbook. These publications are produced by the school yearbook and newspaper staff.

Continued failure to perform at expected levels will lead to academic probation. The consequences of academic probation are as follows:

- Reduced involvement in any school activities
- No part in any school elected offices or responsibility.
- Not eligible for participation in sports.

Probation will result from either falling below a certain level in overall academic performance or failing more than one class. Once a student is placed on probation, he/she will remain on probation until such time as he appears before the administration for review and removal or extension. This period will be for one quarter. A student on academic probation for more than two semesters and failing to show improvement may be asked to withdraw from school.

Teachers will attempt to coordinate assignments so as not to overload students at a particular time. Special days and activities will be considered in giving assignments.

Classroom work and homework are the responsibility of the student. Failure to complete work as required will lead to academic difficulty.

17.04 Academics – Incomplete Grades

A grade is given for achievement as well as an evaluation of work habits and citizenship.

17.07 Academics – Schedule Changes

Students have two weeks at the beginning of each semester to change their schedules. Schedules may be changed only with permission by the parent and administration. A student may drop a course up to the 9th week of instruction per semester.

17.08 Academics – Standardized Testing

The Stanford Achievement Test is administered to all VCA students in grades K-12 at the end of each school year. Scores provide comparison with both national and Christian school test norms. The test data gives us a look at the overall effectiveness of our school's curriculum as measured by national norms. By carefully tracking scores from year to year, we are able to pinpoint areas in our curriculum that may need enhancement as well as other areas where we are doing an exceptional job. The achievement test gives us data that allows us to evaluate our curriculum direction on an ongoing basis. We know we have an above average group of children due to their home environment and broad level of experiences. Excellent teachers and a solid curriculum also result in strong test scores.
